### **MANDATORY APPLICATION WORKSHOP AND TECHNICAL ASSISTANCE**

Applicants interested in applying for funding for any contracted services must attend the Applicant Workshop on March 25, 2026, at 10:00 am. Applicants may participate in the workshop in-person or virtually via Zoom. Following the Applicant Workshop, AgeWays staff will be available to provide technical assistance to clarify general and service specific operating standards, and answer any questions about the application, budget and/or any other required materials.

All questions should be directed to AgeWays key program and finance manager(s), Monday – Friday, 8:30 a.m. – 4:30 p.m. Please reference, Key Program and Finance Staff Contacts, for the appropriate contact person.
